QUESTIONS Gold, Silver &

Corporate Memberships

1Q What does the Gold/Silver/Corporate Membership entitle me to?

1A **Gold Card:** Unlimited access to: Fitness Room, Swimming Pool during public swimming times (please note that on some occasions access will be shared with swimming lessons and classes.) All classes in the Aerobic and Fitness class programme and a Personal Fitness Programme with the Fitness Instructor. The Gold Card also offers free Induction in the Fitness Room. One free Fitech Fitness Assessment is also available to Gold Members.

2Q When I take out my membership am I tied in (contracted) for a minimum period of time?

2A Yes. Memberships are for a minimum period of 12 months and this is stated clearly on the Application Form. If you do not wish to be tied in to a contract we recommend you take the one-month membership.

3Q Do I still have to pay an admission charge to the Centre?

3A No admission charges are included when you are in possession of a Gold/Silver/Corporate Membership.

4Q How do I pay for my Gold/Silver/Corporate Membership?

4A You can make the payment in one lump sum or you can make one month's payment at reception by cash, cheque or credit card then all future payments will be made by monthly Direct Debit from your bank account.

5Q I do not have a bank account, is there any other way I can make my monthly payments?

5A Unfortunately we do not accept any type of monthly payments other than Direct Debits. If you do not have a bank account we would suggest one of the following options:

- i) Pay your annual membership up front in one lump sum. This provides the added benefit of receiving two additional months F.O.C (Gold/Silver only).
- ii) Do not commit to the annual membership and take the one month membership instead.
- iii) Pay the appropriate activity rate each time you use the Centre.

6Q I am considering a Gold/Silver/Corporate Card and wish to pay in full rather than by monthly Direct Debit. Do I get any discount for paying in full?

6A If you pay your Gold/Silver Card in full you will be entitled to 2 months at no additional cost (14 months in total). Corporate Memberships are already heavily discounted so no further discounts are available.

7Q As a Gold/Silver/Corporate member, do I have to inform the reception staff of which activity I am attending when I enter the Centre?

7A Yes. This is very important as we have a maximum number in most areas all members must inform reception where they are going and receive a ticket for that activity. This will also save any embarrassment if a member of staff is collecting tickets.

8Q What if I become ill/injured or unable to make use of my membership?

8A Please inform us in writing as soon as possible after becoming ill/injured etc. and we will suspend your membership and payments. We may ask for Medical evidence to support your request. It is important that you inform us as soon as possible that you wish to suspend your membership and payments as we are unable to apply this retrospectively.

9Q What if I change my mind and do not wish to continue with my Membership after I have purchased it?

9A We offer a 14 day cooling off period. We will cancel your membership agreement providing we are notified in writing within the first 14 days of your membership. The cancellation charge associated with this is equal to one monthly payment.
